Congratulations NASA for 60 years of moving forward and expanding our Horizon

Clark Fixture Technologies, Inc has been proud to be a supplier for a portion of these 60 years, with innovative check fixtures and orbital weld tooling. Thereby enabling other suppliers, the opportunity to provide complex tubing assemblies rapidly and accurately

A collage of four images: top-left shows a woman and a man in a lab; top-right shows a woman in a red shirt; bottom-left shows a group of people in a field; bottom-right shows a person in a spacesuit. The text 'READY TO MAKE A DIFFERENCE' is overlaid on the collage. The '50th ANNIVERSARY 2010-2015' logo is in the top right. The 'LND AEROSPACE UNIVERSITY OF NORTH DAKOTA' logo is in the bottom right. Below the collage is the Clark Fixture Technologies logo and a congratulatory message. At the bottom is a small image of a complex tubing assembly.
